Mr. Blancato may have guest speakers on this podcast. All discussions and opinions expressed by the speaker reflect the speaker’s views and do not necessarily represent the opinions of Ladenburg or their affiliated companies. Any forward-looking statements are based on current market conditions and information the speaker considers reliable, but there is no assurance that the information presented is accurate, complete, or will be attained. Any references to securities, asset classes, and investment strategies are for illustrative purposes only, and are not intended to be and should not be interpreted as recommendations. Past performance is not indicative of future results. Investors should be aware of the real risk of loss in following any strategy or investment discussed herein, as their price and value will fluctuate. This material does not take into account your particular investment objectives, financial situation or needs. You are strongly encouraged to discuss all investments with your own investment professional.

Mr. Blancato frequently appears on Fox Business, CNBC and several other media outlets. He is also quoted on financial publications, including Reuters and Barron’s. All discussions and opinions expressed by Mr. Blancato are given as of the date of the media appearance or publication and are subject to change without notice. Any information discussed is for illustrative purposes only, has not been verified to be accurate, complete, or reliable and is current only on the date made and is not intended to form the basis of an investment decision.

Posts and Content

No social media post published on any social media platform is an offer to sell or a solicitation of an offer to buy shares of any security to any person. All posts published on social media platforms are for informational purposes only and should not be considered as investment advice or a recommendation to invest in any particular security, strategy, or investment product.

The Content provided does not consider the specific investment objectives, financial situation, or particular needs of any specific person and viewers of the Content should determine for themselves whether a particular service, product, or security is suitable for their investment needs and should seek professional advice for their particular situation. Any reference to a particular company or security is not an endorsement or recommendation by Ladenburg nor Osaic, Inc. of that company or security to purchase or sell such security. For a list of all purchases and sales made by Ladenburg for client accounts during the past year that could be considered as recommendations, please contact your financial adviser. It should not be assumed that any recommendation made in the future will be profitable. Past performance is no guarantee of future results. Investments may decline in value due to both real and perceived market, economic, and industry conditions. The value of investments, and the income from them, can go up and down, and investors may not recover the amount of their original investment. Any tax benefits referred to in the Content are subject to change and their availability and value will depend on each investor's individual circumstances.

The Content may include statements concerning financial market trends, and are based on current market conditions, which will fluctuate and may be superseded by subsequent market events or for other reasons. Historic market trends are not reliable indicators of actual future market behavior or future performance of any particular investment which may differ materially and should not be relied upon.

Although Mr. Blancato, Ladenburg, and Osaic, Inc. have taken reasonable care to ensure that the information contained within the Content is accurate, no representation or warranty (including liability towards third parties), expressed or implied, is made to its accuracy, reliability or completeness by Mr. Blancato, Ladenburg or Osaic, Inc. Opinions and any other Content are provided for personal use and informational purposes only and are subject to change without notice. Nothing contained in the Content constitutes investment, legal, tax, or other advice and must not be relied upon in making an investment or other decision.

Third Parties

Some of the Content includes speakers who are professional traders or investment managers who may be actively involved in securities discussions in a personal, professional, or both capacities. The Content from third parties are provided as a convenience and the inclusion does not imply any endorsement, approval, investigation, verification or monitoring by us of any Content contained within or accessible from linked sites. Ladenburg has no control over any unaffiliated third-party websites or the operators of those websites. We are not responsible for the accuracy of the information presented on those websites nor any liability as a result of your use of them. We reserve the right to terminate links to third party sites at any time. Ladenburg reserves the right to remove any comments, photos, videos, discussion posts, wall posts and any other third party-posted content that we deem inappropriate or that contains confidential information, profanity or illegal material. Ladenburg also reserves the right to ban from its sites any commenters that violate these parameters.
